Proactive Problem-Solving
Address discrimination, wage disputes, and workers' compensation efficiently

Safety First
Free on-site consultations to educate and enhance workplace safety

State Mandated Resources
Providing Labor Laws, Human and Labor Trafficking signage for the workplace

Protecting Your Rights at Work

How We Support Today's Employee

How We Support Today's Employees

Office of Anti-Discrimination
Offers assistance and resources for employees facing workplace discrimination or harassment.

Office of Construction Enforcement
Advocates for fair treatment and safe working conditions specifically for those in the construction industry.

Office of Safety & Health
Conducts free evaluations to ensure workplace environments meet health and safety standards.

Office of Wage & Hour Enforcement
Addresses concerns about unpaid wages and work hour issues that may not meet legal standards.

Office of Workers' Compensation
Provides guidance and support for employees injured on the job and ensures employers have the required coverage.

→ Anti-Discrimination Office
- Concerned about workplace safety?**
→ Safety & Health
- Issues with wage payment and illegal deductions?**
→ Wage & Hour Office
- Construction workers facing unfair conditions?**
→ Construction Industry Enforcement Office

What You Should Know About Our Labor Offices

- We're here for everyone: both employees and employers
- Your inquiry is just a conversation, not a legal action
- We respect your privacy: your information stays confidential
- Our approach: finding cooperative solutions together

Remember: The Division of Industrial Affairs is your resource for a just and secure workplace. Whether you're an employer striving for excellence or an employee seeking fair treatment, we're here to help Delaware work better for everyone.

Important Note: These materials are available in English, Spanish, and Haitian Creole. Contact us for language assistance.

Quick Guide to Getting Help

1. Identify your issue (e.g., safety, wages, discrimination)
2. Visit our website to find the right office
3. Gather relevant documents
4. Reach out via phone, email, or online
5. Engage in the process and keep records

Did You Know?

- All conversations are completely confidential
- Most interactions are for guidance, not inspections
- We're here to educate, equip and empower today's labor market
